Sir,

1. Mr. Raghunatha Rau who is in charge of the History teachin of the F.A.Classes obtained four days' Casual Leave of absence last week on account of illness expecting to be better by the end of that time. He had however to get this leave converted into absence on Sick Leave on Medical Certificate for an additional fortnight at least.

2. As there is none of the other Assistants sufficiently qualified in History to be fitted in temporarily to do his work, I requested Mr.Bhabha, at the end of last week, to wire for Mr. S.Krishnaswami Iyengar, Assistant Master, High School, Kolar, to temporarily take Mr.Raghunath Rau's place, as I am by no means sure that he will be able to resume his duties before the Mid-summer Holidays begin on 21st. April. Mr. Bhabha in reply informed me that the Kolar High School was just recovering from the effects of plague and that Mr Krishnaswami Iyengar could not well be spared. Consequently I have had to rearrange the College Time-Table and to take the History teaching upon myself personally, in the absence of Mr.Tait who might have done had he not been on leave.

I have to point out to the Government the unnecessarily [illegible] in which such extra work as this entails on the Principal [illegible] have as much addition to [illegible] that must

transferred elsewhere, and his place taken by a History Graduate who might be fitted in an emergency like the present to assist temporarily with the teaching of the P A classes in History 5, I would also suggest that Mr S Krishnaswami Iyengar, who has taken the M.A Degree in History would be more appropriately attached to the Staff of the Central College than remain merely as an Assistant in a District High School The arrangements for the transfers may be more conveniently made during the approaching Hot-Weather Vacation

I have the honor to be,
Sir,

OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE

No 9895/460

Bangalore, 17th April 1900 ~~189~~

From

H J BHABHA, Esq,

Inspector General of Education in Mysore

To

The Secretary to the Government of Mysore,
General and Revenue Departments,
Bangalore

SIR,

With reference to Government Order No 1414,1-2/Ed 461 dated 9th April 1900, I have the honour to inform you that when Mr Cook wrote to me on the 24th March last asking me to telegraph to Mr S Krishnaswamy Iyengar of the Kolar High School and direct him to work in the Central College during the absence of Mr Raghunatha Rao, I ~~to~~ Mr Cook not only that the slowly recovering [illegible]

[illegible] that it was not
[illegible] each teacher of English
[illegible] High School and that in the Junior
[illegible] the two Assistant Masters are
[illegible] to teach English but work
[illegible] in reply to my note that he
[illegible] make some other arrangement etc.

In the every High School four specialists
are required viz, for English, Mathematics,
Science and History - In them in the Training
Academy as also Headmasters of the Polar
High School who was in charge of the English
classes was appointed Kannada Translator,
he was succeeded by Mr. M. K. Srinivasa-
char from Hassan who is a specialist
in Mathematics, and I had to rearrange
the work of the High School Mr. Krishna-
swamy who was till then teaching
Science was asked to teach English as he
was the most junior among the
Assistant Masters. At my inspection of
the Polar High School last month I found
he had attained a fair amount of
success as a teacher of English It is
difficult to get good teachers of English
and since the Headmasters of High Schools
themselves as a rule teach English
Mr. Krishnaswamy can best shape

high schools under my control besides the
the Shimoga College. I have a free hand
only in arranging the staffs of these in
stitutions. For choosing the staffs of the
Central College and the Maharaja's College
the Principals have been given powers
independently of me. While such is the
case of good Assistant masters are
picked up from the High Schools to serve
in the Central College and some one
who has not given satisfaction in that
College is sent without my approval and
consent at short notice to a High School,
I should be sorry to have the responsibility
of maintaining the efficiency of the High
Schools

3 The two teachers whose names
Mr Cook suggests are Assistant Masters
of his own choice, and either of them
having acquired some knowledge of
Greek and Roman History when he
passed the F A Examination should
be able with a little special prepara
tion to teach these histories from
text-books prescribed by the Uni-
emergency for two or

three weeks - If this was not possible it was easy to obtain the services of a good Master from the minimum pay of Mr Raghu natha Rao or Rs 150 which would be saved to Government out by his sick leave

4 While Mr Cook for the sake of avoiding a short period of difficulty to which every institution is subject was asking without taking into consideration the exigencies of the Department for the immediate transfer of Mr Krishnaswami Iyengar's services, an application for sick leave or transfer from the Headmaster of a High School who is in charge of the English classes of this school was pending before me, and the conduct of another Headmaster also in charge of English subjects was under inquiry At a time when it was likely that I should be in need of two additional teachers of English, I was asked to transfer one of the only English teachers to serve the temporary convenience of the Central College

5 In the light of the facts stated above, I request that Government will

kindly reconsider their order - I regret my inability to spare the services of Mr S Krishnaswan Iyengar since I can not spare them without impairing the efficiency of the institutions under my control - I request that Government will be pleased to take into consideration the exigencies of the whole department and ask Mr Cook to make such temporary arrangements at an emergency as he can with the large resources at his command -

I have the honour to be,

Sir,

Read letter from the Inspector General of Education in Mysore No 9895/460 dated 17th April 1900, in regard to certain transfers of teachers referred to in Government Proceedings No 11141-2/Ed 461 of the 9th idem

Order thereon — 11714-15/Ed 496 dated 23rd april 1900

Government, in their Proceedings No 11141-2/Ed 461 dated the 9th April 1900, accepted the recommendation made by the Principal of the Bangalore Central College for the transfer, to that College, of Mr Krishna sawmy Iyengar MA, now an Assistant Master in the Ooltur High School, on account his special qualifications and Training among

further urged on the ground
that he would be more useful
in an important institution
like the Central College than
in a High School - The Govern-
ment also considered the transfer
highly desirable and beneficial
in the interests of the college.
To avoid extra expense to the
State Mr Cook was willing
to spare one of his masters
for transfer to the General
Education department and the
Inspector General was, accordingly,
requested to arrange, in con-
-sultation with Mr Cook, for the
proposed transfer, if possible
before the expiration of the
College vacation -

From the letter read
above it appears that, while
the Inspector General has
really no objection to the transfer

of Mr Krishnaswamy Iyengar
he considers that neither of the
two masters, Messrs Subramanya
Sastri and Lakshmipathaya
mentioned by Mr. Cook will
be able to supply M Krishnaswamy
Iyengars place in Kolar for teaching
English. Government learn that
the said masters have each had
a good deal of teaching in English
in the
Matriculation class of the Central
College during the past few years
as well as all the teaching
in Mathematics, History and
Geography of a section of not
less than 40 pupils of that
class, and therefore fail to
understand on what grounds
they are considered by the Inspector
General incompetent to teach
any subject except
Hindi.

18

staff of teachers at the disposal of the Inspector General, there should be no difficulty in selecting a qualified man for the Kolar High School in the place of Mr Krishnaswamy Iyengar and transferring one of Mr Cook's Assistants to any of the other schools to teach subjects familiar to him.

3 Though Mr Raghunathachar has returned to duty in the Central College a few days ago his health is not fully established and though the transfer of Mr Krishnaswamy Iyengar to the Central College may not be so pressing, it is nevertheless abundantly desirable that teaching changes should, as far as possible, be arranged during vacations. The Government will be glad if this can be done in the case under reference.

With reference to your DO letter of 21st April 1900, I give below a statement of the services of Mr P R Subramanya Sastry and Mr V Lakshmipathaiya, Assistants in the Central College

Mr P Subramanya Sastri BA entered Government service on the 7th of July 1884 as an Assistant Master Kolar High School on Rs 50, was transferred to the Central College in February 1895, reached the maximum pay (Rs 100) of the old class C III on 1st February 1896, was promoted to new class C III from 14th November 1899

Mr V Lakshmipathiaya BA was Headmaster of the Municipal English School on Rs 50 from

14th January 1892 to 3rd March 1895, was taken to Central College as an Assistant Master temporarily on Rs 70 from 4th March 1895, was confirmed from 4th March 1895 by Order No 10473-5 Ed 316 of 12-3-96, was drawing Rs 90 when he was promoted to new Class III on 14th November 1899

It will be seen that Mr Lakshmipathaya was Headmaster of a Middle School till the 3rd March 1895 He is a Mathematical Graduate and has the reputation of being a Gramatak.... teacher in Mathematics

Mr P R Subramanya Sastry BA did not do satisfactory work in the Kolar High School He could not preserve order and discipline in his class and his influence generally on the manners and character of the boys was not beneficial. For a short time he was placed in charge of the Kolar High School in or about 1890, and during that time almost every official communication received from him was I remember disfigured by the

most disgraceful mistakes in spelling As far as I am aware [illegible] is not a specialist in any subject taught in a High School, unless it be Sanskrit for which a Pandit is provided in most of the High Schools His optional subject was Logic and Ethics

It is true I believe that these two masters are in charge of a section each of the Matriculation class, and they have probably been teaching some English subjects like Grammar But they have never taught English Poetry and Prose, these subjects and Science being taught I believe by Mr Leonard and the First Science Assistant A master employed in place of Mr Krishnaswamy Iyengar at Kolar will have to teach English Prose and Poetry as well as English Composition in all the three High School Forms and in Form III for this work neither of the two above named teachers is qualified English is the most

difficult subject in the Matriculation curriculum - It is difficult to find good teach of English among Indian Graduates -

Yours sincerely

Sir,

With reference to Order No 11714-15 Ed 496 dated 23rd April 1900, I have the honour to inform you that for the reasons stated in my D.O. letter of this day's date to the Under Secretary I do not consider either Mr A Lakshmipathya or Mr P R Subramanya Sastry sufficiently well qualified to teach English Composition and English Prose and Poetry in all the three Forms of a High School and in Form III or do I find it possible after scanning the list of graded teachers to take either them to teach his own special subject in any of the High Schools so

as to relieve some one of me in teaching English in the Kolar High School, as Government seem to think I owe from the concluding sentence of para 2 of the Order quoted above.

2. Government are pleased in para 2 of the Order that "the Inspector General was really no objection to the transfer of Mr. Krishnaswamy Iyengar" On the contrary I have the strongest objections to the transfer, and I fully explained what they were in my D.O reply to Mr. Cook Mr. Cook in his letter No. 545 dated 27th March 1900 should have stated all the difficulties I felt in allowing the transfer of Mr. Krishnaswamy Iyengar He merely reported that "Mr. Krishnaswamy Iyengar could not well be spared." In my letter No. 9895/460 of 17th April 1900 I have stated my difficulties in full, but unfortunately Government do not appear to have realised them

3 But apart from the inherent difficulties of the proposed transfer I have strongest objections to the procedure adopted in obtaining sanction for it When one officer requires the services of an employee under another officer

it is ordinary official etiquette for the former to obtain the consent of the latter before asking for Government sanction for the transfer of the Servant although Mr. Cook was informed of my difficulties and he himself reported that "Mr. Krishnaswamy Iyengar could not well be spared", he still requested Government to sanction the transfer, at the same time increasing my difficulties by proposing the transfer to a High School of men whom I consider to be unsuitable in the present exigencies of the department. I submit that the procedure adopted by Mr. Cook is contrary to established official etiquette.

4 I have also to point out that if it is open to any disaffected or dissatisfied Assistant Master of a High School to seek for a transfer to the Central College without my previous consent as Mr. Krishnaswamy Iyengar has more than once done without making any secret of it, and if such applications are encouraged by the Principal, the discipline of the

department appears to be ruined and it will be difficult to expect consciencious or hearty services from any subordinate teacher.

5 Under these circumstances I request that Mr Krishnaswamy Iyengar's transfer to the Central College may be cancelled, or if that is not possible at least that in place of Mr P R. Subramanya Sastri or Mr A Lakshmipathaiya, the services of Mr K A Krishnaswamy Iyer, Assistant master of the Central College who has the reputation of being a fairly good teacher of English may be placed at my disposal.
